

Volunteer Winter & Spring Work Programme 2025

Banstead Commons Conservators volunteers carry out practical countryside management on the four sites that make up Banstead Commons. If you have time on your hands and would like to meet like minded people and work in the beautiful countryside setting of the North Downs, then please sign up to our [volunteer mailing list](#).

Sessions are usually held on the first Tuesday and third Wednesday and Thursday of every month. Dates and tasks are finalised in advance of each season.

All tasks are led by either a member of staff or a lead volunteer who will instruct you on the day's activities and provide a full safety briefing on arrival. No prior experience is necessary. We ask that volunteers read our Information and Safety Awareness Booklet before volunteering. Please [click here](#) to download our Information and Safety Awareness Booklet.

Volunteers should come prepared for working outdoors, wearing sturdy boots and suitable clothing for the weather on the day. You'll also need to bring your own gardening gloves (we do have spares), a packed lunch and water.

We will provide hand tools, refreshments, laughter and snacks!

To register for our mailing list and confirm your attendance to a session in advance, please email: enquiries@bansteadcommons.org.uk or call 07919 251 512.

Please note that work parties will be cancelled in extreme weather. Whilst it isn't essential, it is best to register in advance in case a session is cancelled due to adverse weather or staff absence.

Please see overleaf for a listing of dates up until the end of March, 2025.
